" " West Somerset 139
Air holes 4
" plant 227
Amber, formation of 226
American Magazine 331
Animal manures 122
Animals language of 277
Annual plants different soils for 283
Anti-slavery society 62
Anti-slandering society 352, 360
Anti-improvement 243
Anti-tobacco society proposed 371
Apples half sweet and half sour 261, 386
Apples vs. Hops 315
Apple trees renovated 182, 196
" good for hogs 11, 29, 291, 299
" insects on 188
" bearing alternate years 202
" diseases in 378
Apple sauce made from pumpkin 370
Asparagus forcing of 171
Attractions molecular 373
Automaton juggler 126

B

Back farms with hard soil 44
Banter and Lovelabor 112
Barn yard 268
Barley cultivation 317
Beauty 376
Beer to prevent souring 180
Bees stingless 4
" flying away in winter, query 60
" remarks on 83
" cultivation of 100
" query respecting 187, 203
" House for 210
" Nutts management of 244
Betrothed 216
Birds 176
Black-tongue 10, 11, 18, 19, 21, 31, 34, 36
Black mangrove 219
Blind pupils exhibition of 48
Blue, Scheweinferts recipe for 214
Board fences 180
Botts in Horses, cure for 179
Bodies capacities of, for water 222
Bread, ripe 32
British farming capital of 5
Brocoli on propagating 203
Broom corn 154, 158
Buckwheat, blue coloring matter from 323
Buel, Judge, letter from 31
Burns and his highland Mary 192
Butter, curing of 317

C

Caloric appar. for extracting by press. 318
Calves, sick ones 210
Canal from Readfield to Gardiner 19, 370
" remarks on 27
Caterpillars, to destroy 189
Cattle and sheep, diseases in 35, 60
" Improved breeds of 42, 61, 68, 76, 85, 116, 172, 173, 180, 189, 197, 208, 212, 220
" In Kennebec County, history of 58, 66, 74, 114, 123, 130, 137
" Color of 76
" Importation of 270
" Foreign breeds, remarks on 83
" Remarks on by S. Howard 20
" Show & Fair, K Co. Ag. Soc. 258, 290
" Penobscot County 316
" West Somerset County 306
" Husbandry 68, 85, 93, 100, 109, 165
Catechism, modern 72
Canada Thistles 123, 188, 201, 237, 282, 284
Canal Boats 4
Castor Oil for lamps 5
Causes like, produce like effects 411
Celery, Culture of 219, 235
Chart, geographical, Bicknell's 242
Chain pump 131
Cheese—premium 34
" Swiss 227
" Husbandry 261
" Innoculation of 310
" Shelves improved 349
Chastelar, death of 104
Cheap pleasures 72
Chemistry necessary to a farmer 314
Chenan, a new cement 366
Chickens, gapes in 243
Citizens watch 403
Clover culture 234, 236
Cloth, to increase strength of 237
" woolen made from old rags 379

Coloring, indelible 14
Colts, breaking of 313
Combustion, spontaneous 275
Composts 229
Competition with Eng. manufactures 78
Complete Farmer, notice of 187
Cookery, females should be employed 372
Cool butter 171
Corn, Indian 125
" " new mode of culture 187
" " to calculate amount of 196
" " quantity of on an acre 290
" " stalks, cutting of 298
Correspondents, union of 67, 101
Couch grass, query on 380
Cows, milking of 179
Cow houses 357
Cream, on raising it by heat 210
Crops, rotation of 188
Cumberland Co. on Ag. enterprise 76
Curtis, description of his scraper 106
Cu worm, how to destroy 188, 379

D

Dary, profits from 203
" farm of D. S. Mills 213
Death and beauty 288
Devon cattle recommended 272
Diary, farmers 67
Down East, description of 379, 387, 405
Draining, remarks on 233, 234, 245, 252
Dyestuffs, native 354

E

Early impressions 88
Economy, example of 208
Education 184
" public 20
Engrafting trees when set out 42, 44
Equestrian, his notice of May day 136
Error may be useful 218
Example, a good one 346

F

Factories, Attleborough 70
Farm, small one best 114
" profits of a New York one 163
Farmers, hints to 4
" sons, education of 91
" work 268, 377
